1. My handy, My handy, My handy come forth, My handy come forth; My who hands clean and pure hearts operate come forth. My handy I can use, My who have hands, no matter where they have been, no matter what they have done, no matter what they have caused. Yea, unto Me, now dedicated, consecrated, being uplifted in Me I can now use, I can use to put to the plow **without looking back**. Yea, I can use mightily, mightily, mightily in Me, **not knowing where they are going**, where they are coming from, how they are going to get there. Yea, **into a land** marching, walking, galloping into Me, some flying. I love you.
2. The handy I can use. The handy I can use. The handy I can use. I love the handy. I love the handless, and those who tainted are. But those who come forth now are the handy. **My handy step up to the plate. My handy lift the bat, position themselves, and watch and wait, and they listen, and they see what they can see and they are ready to act.** The handy, I love you. I call forth the handy, the handless, yea, even to become the handy and those who will **walk in Me and not be afraid**. I love you. **Those who will wait and watch and listen and obey and put their hands to dates for events on calendars and watch Me establish My handy coming forth from My handy.** I love you and I give you Me.
3. I give you Me and I give you all of Me. I give you those who have laid hands on and prayed for others, and those who so desperately need, want, hands laid on them for release, for recovery, sight, blindness none. I love you. My who have hands laid on My globes, in planetariums been and seen Me and limited Me not; My handy limit Me not, My handy are those who are handy. I love you.
4. Thank you for coming forth. Thank you for getting up deliberately, intentionally without delay. I woke you so easily, I whispered, I touched. I love you.
5. I, yea, even Me, Me, yea behold, behold, take notice, erupt into joy and laughter, scorn not, scorn none, scorn those you do not understand never, absolutely never, derision demised, deleted, discomfited at even the thought--I love you--which now you command, you are in command of. I love you.
6. I love you as you come forth and you command, you command Mighty Many, mighty in My many, many in My mighty, My Mighty Many coming forth. **Oh, tell Me you love Me more, tell Me you see My Mighty Many, tell Me you see Me in My scriptures, My words, My Joel 2 released, coming in clouds of glory, angel dust not, pure reality. I love you. Yea, Acts 2 and My New Covenant broken open completely for you, your life, your lifetime, and your seed forevermore, your seed being handy, handy in Me, not afraid to do, not afraid to be, becoming Me, doing Me, walking Me, speaking Me, My**

time their time, their time surrendered; their heart, their hands altogether Mine, altogether one, not separate; but fully-ized, fullness'd in Me, fully coming forth, My ordained Priesthood, My believers, My Order, My Melchezidek'd, all one. I love you and I give you Me.

7. My lighthouses arise, My towers, My love stands of only Me. Stands and beams and beacons forth My love, My light, My life, I am the Father of lights, I am the Father of life. I created light that in no darkness will you ever find in Me. I am the light, I am the light, I am the way, the truth, and the light. I am the life, I am the light, no one comes to The Father but by Me. I am the light and there is no life without Me; not handy, not handy life, **life of maximized potential in Me.** I love you. I give you Me.

8. Thank you for accepting Me. Thank you for accepting Me. Thank you for accepting Me. I have given so much, so little even in little-ess you embrace, you appreciate. I give you Me. Thank you for accepting Me, thank you for receiving Me, thank you for honoring Me, thank you for doing what I want done, thank you for using Me not, using My principles, stripping them from relationship, God forbid, forbid others also. I love you.

9. Those who want to come into Me, yea, for gain, advancement, self-promotion, profit, mammon, restitution not opening the way--I hate, I loathe, I scar, I score. And so many make so much money and yea, they could have flown with Me, they could have lighthouse builders been, they could have come and seas shore'd with Me and had coffee in Tripoli's. I love you. So many My gifts reside in so strongly who flagrate and flail and fling their gifts directed only by mammon. Sad, how sad, tragic how tormented they are, tormented they will be, thinking they are so happy now some. Well, wait and see, the scar tissue: all that remaining.

10. You who with scarred faces, scarred pasts, scarred marriages, checkered by unseen things ashamed of, I love you and I give you My nail-scarred hands. I give you My nail-scarred hands and My nail-scarred hands now lift you, My Mighty Many, from gutters thought into Me; My handless not, but My handy now, My who with hands seeked, seek to operate in only Me, hands upraised, lifted, surrendered, worshipping, afraid of no one, afraid of law, none. I love you.

11. **My afraid arise not, My timid arise not, My sleeping, My who with lamps untrimmed, they delay, they divert, they demise. Yea, they choke what could have been, what I have written, what I have known, what I have offered, what I have destined**. But, yea, I am meek, comely, no comeliness, beautiful yes in My love, love which transcends all, My love which gives hands to the handless; and yea, presents Me to Me. Scar faces coming together all, in the beauty of holiness, righteousness, judgement none, judging each other no more. I am the righteous judge, I come unto Me, I come unto you. I am so very meek. I am a man of sorrows acquainted with grief. And yea, few know no grief in My Kingdom on the way into Me, stripped often, bared naked and scorned at times, misunderstood, all have their cross and all must die to resurrect. I love you and I give you Me.

12. Organizations of only Me come forth--I love you--Organisms of only Me, living, glowing, working together, inter-connectedly, interwoven, intertwined, competing not, fulfilling My word My way, My mission, being My vision, monocular, into Me coming day after day: **Commerce Central and Worship Central**. See Me. Yea, even ones laying their hands on My globes, delineations of Me and not Me, now described, coming forth, operationalized. I love you. I give you Me, I give you hands to do My will. I give you hands to be Me. I give you hands to speak forth. I give you hands to raise the dead and smile, smile, smile. I give you the ability to smile more now, smile released, smile more please. I release you, I release your joy. My joy/your joy, your joy/My joy, only to do the will of My Father, knowing such joy, such latitude, longitude unbounded, transcendently becoming Me and operating in worlds heretofore unknown; massively minded in the minded of Christ; the Christ which propitiation was, is, and will be forevermore. I love you.

13. Operating in Me at light speed and more, so much more; My handy come forth, My handy come forth who turn My pages, who eat My scriptures, scrolls many, scrolls written, scroll writers being, scriptures coming forth; yea, even as this, night after day, day after night, before breakfast, after supper, during My days often, My nights often, not afraid to arise, **not intimidated to speak My words and say "I am I Am," and "I behold My Father," "I and My Father are one," "I have come to reveal My Father." "I have come to reveal Me, I have come to reveal The Priesthood of All Believers, The Order of Melchizedek coming forth."** I love you and I give you Me and **I give you hands to do what I called you to do.**

14. Arise, smell the roses, smile, sprinkle, baptize, dunk, immerse and enjoy My waters. Ski with only Me, My propulsion, (laughter) no rope required (1). I love you.

15. My waters, My waters turbulent, placid for only you in times of peace, in times of war; yea, being the same; **understand Me.** I love you.

16. Thank you for letting Me love you. Thank you for letting Me love you. Thank you. Thank you for letting My love flow in you. Thank you for letting My words flow in you. 17. See Me, all I have said, all I am saying, all I will say, continue to say, continue to banner forth; proclaim, declare, proclamate this day, this night, this morning and forevermore through you and the words that I have given you. I have given you My words, I have given you My promises, I have given you sinew of only Me. And now you sew, you fabricate, you put your hand to the task and you said "I will obey. Deny, nay; the cost will not deter Me, the cost I will pay, I choose to pay the cost, I choose to look back not, I choose to go forward, I choose to go where no man has gone." Yea, oh, I love you. Thank you. Thank you. Yea, behold Me now, behold My reverberation, My stance, My beholding you now. In My face you see. I love you. My love beholding, beholding My love. I love you. Stance of only Me. Standard bearer standing. I love you. Yielding to Me, your members to Me. Thank you. Prerequisite required, purity;

18. The maker, the maker comes. I am the maker, I am the trainer, I am the teacher, the coach, the mentor, discipler, cheer leader, most of all: friend, and I stick, I stand, and I hand My hands to your hands. I hand My heart to your heart. My mind now placed in your mind. I give you My mind, I place within you the Mind of Christ. Thank you fearless one, whose tears now flow, washing My feet in receptivity and reception, in reciprocity of only Me. Polarity be, polarity becoming, reverse polarity. Watch Me. I love you. I LOVE YOU! I give you My mind, I give you My hands, I give you My feet, I give you My body, I give you My all. Every tool, no secrets, no restraint, nothing withheld, My handy, I love you. Handy's make and **go forward, propelling, preaching the cost,** the cost, the cost to know Me, the cost to come forth glorified, the cost to have My hands, to be My Mine. I love you. Hands lay on globes often, *body tripping all over Me*. Thank you.

19. Yea, My visions and dreams I have given you, say, speak, and withhold not; All opportunity, every door open. No withhold-ment, no containment, no contamination; purity be, **purity be, purity walk in, purity preach, cost convey.** I love you and I give you Me. Globes, many unlimited, worlds unknown and hands-layers on them permeating them, doing Me, speaking Me, beholding Me, being Me, operating in universes unknown, unlimited.

20. Oh! How I love you, Oh, how I love you, My touch, My touch, your touch. Your honor coming forth, maturing, your honor for My body, your honor for the lowly, **your honor for the trained, disciplined, delayed, diverted, destroyed; those in categories every one.** Oh, I love you and I thank you. Training My hands-layers now, who lay hands on will, conveying, converting the populous to Me. Ordained, ordained, ordained, The Priesthood of All Believers, The Order of Melchizedek; coming, released fully in Me, in Me, in My Handy see.

21. Limit Me not, enjoy My tears that wash your feet, that ready you and prepare you for burial. Oh, the uprising; oh, the uplifting, resurrection of only Me. Oh, how I love you and I scar you not; exhaltation time. I love you.

22. Before Me be, just like this, My crowds, My ones, My twos, My fours, My families, My millions, before them before Me be, as you are now this moment; so enraptured, so enraptured, rapture'd with only Me, only Me, only Me. My lover, lovers be. Thank you. My hands in your hands, your hands in My hands, us all together one, beauty. Behold the man, behold Me, behold us; one. I love you.

23. Goodnight. I kiss you. I meet your every need, your whim. Watch, for I see and I feel them and I want to fulfill. I love you. I love you. I love you.

24. Scared not be of My love, withdraw not please; intimate more, more, more, more. Tears so okay, so normal, so natural, so precious, so kingly, intercession. I love you.

Thank you for not being afraid of the road ahead and the times for which we will travel forward, backward, together in only Me. I love you. I kiss you. Kiss My body. Kiss everyone for Me. My touches, My tenderness, My purity. My five-sense man long gone, never returning, never reverting to the pigpens, forfeiting My glory. Thank you for conquering Me and letting Me conquer you. The force of My love comes forth fully. I love you. Goodnight. Goodnight My love. Goodnight My love, My love goodnight.
